Contracts may only be concluded by authorised teams via telephone, e mail, facsimile or otherwise. We reserve the right to record telephone conversations for documentation purposes. These records can be used as evidence in case of disagreement about the terms of the agreement between the parties.

This list of authorised teams is effective from the date stated in the header. The list can be changed. The receipt of this list of authorised teams and future amendments shall be confirmed via fax return within two business days. Changes become effective on the delivery of the amended version to our counterparties.
